# FOND MEMORIES

Dear souls you've been with us in all walks of life. You've guided us, embellished us and been with us with lots of perseverance which are precious memories. You've set off your flight to the abode and hope you are safe in the arms of God. The pain when we lose you is immeasurable. We miss your presence sorely. You left this world but your memories are still evergreen in our minds. We pay a glowing tribute to both the souls. We leave this note in hope that your blessings will be on us forever.
