CRACKING COMPETITIVE EXAM

ABSTRACT

Cracking competitive exam training is a structured assessment that aims to evaluate job. There are different types of aptitude test which can assess a series of core skills such as technical knowledge. An increasing number of employers are now using aptitude tests as a way to assess the specific capabilities of potential employees. They use aptitude tests as methods of screening to identify high-caliber candidates. Aptitude tests are an accurate way of predicting the potential contribution of a candidate and the likelihood of them achieving success within the organization.

Solving problems is a fundamental part of jobs. Employees should have the ability to identify a problem, evaluate it, and then implement a solution to address barriers and circumstances that can prevent the organization from achieving their goals.

Rural development has assumed greater importance in India today than in the earlier period in the process of the development of the country. Many candidates are more interested towards competitive examinations. This course will enable the candidates to overcome the problem of answering the questions in competitive examinations also. The Thirupattur District has a mainly rural background. These certification courses enable the women students to crack the competitive examination.

This training helps to build and strengthen the rural youth and their communities. Through this they are able to acquire requisite knowledge and skills that are needed in the rural development scenario and they are able to raise their levels of income and consumption.

Our Marudhar Kesari Jain College for women was started in the year 1994. The focus of the college is Rural Development through women education those from inclusive society with right knowledge and make them self sufficient to develop holistic personality and essential in their walk of life. In line with that we PG & Research Department of Mathematics and Department of Statistics opted for Cracking competitive exam training because we are dealing with the rural area women students and make them to pass in all type of competitive exam and place them in jobs.

The main goal of this course is to the make students to pass in all type of competitive exam. The general expectation for certification is the ability to solve problems without great effort.

By the end of the Course, Students should be able to:

1. To imparted in-depth knowledge on the topics such as quantitative Aptitude, Data Interpretation, Reasoning and Verbal Ability.
2. To augment their employability and potential and face challenges of the present times.
3. To be able to predict for future success both in educational and vocational Careers.
4. To assess candidates in terms of their skills, knowledge, ability and personality.
5. To discover inner that could help enhance their career path.
6. Able to crack exams like IAS, IPS, IFS, SSC, TNPSC, IBPS, TET, etc...

MISSION OF THE COURSE BY SECOND PARTY:

It offers a host of integrated services that succumb to the various requirements of the clients and candidates. They also have trained personnel who understand the job needs and preferences of the candidates and further help them in seeking their careers. To create awareness and promote education especially among rural students.
