““Knowledge is power. Information is liberating. Education is the premise of progress in every society, in every family.” Thus, the education is a gradual process which brings positive changes in human life and behavior.

The report of the activities of our Institution for the Academic Year 2022-2023.

Taking a Gander of MKJC:

The Institution has successfully completed its 29 Years. The Institute and the stakeholders honour the person who unveiled the importance of education and made a great establishment for the rural people who were in need of education, particularly Women. MKJC Institution has clinched the status of "3 Star" from the latest rankings by Institutions' Innovation Council for (IIC) the year 2022 from Ministry of Education, Government of India.

For more than 29 years, MKJC has amassed a comprehensive list of achievements and several tales of success in the area. By signing MOUs with numerous reputed Institutions and industries, MKJC facilitated Institute-Industry engagement and carried out numerous collaborative activities.

MKJC is associated with distance learning Programmes at Mother Teresa Women's University, University of Madras, TNPESU, and ICSI in order to further and support the aspirations of students from rural and underprivileged backgrounds.

Additionally, the College has served as a testing location for other competitive exams, including NEET (UG & PG), TNPSC, TRB, TNUSRB, and NPTEL.

We are inspired to move towards compassion by the unending support provided by the proactive and responsive management. At present our college offers 18 UG, 15 PG and 10 Ph.D Programme (Full Time/Part Time). With all the experience from producing thousands of graduates, backed by 177 teaching staff the college is emerging as a premier Institute. A good number of faculty members have passed NET/SET Qualifying Examination. More number of faculties is with M.Phil and Ph.D. Our college student and staff Ratio is 17:1.
