Objective of the Programme	<ul style="list-style-type: none">• To raise awareness about the importance of voluntary and safe blood donation in saving lives.• To highlight the global need for safe and sufficient blood supplies in all countries.• To create a network of committed voluntary donors who can be mobilized in emergencies.		
Internal Participants Count	Students : 44		

Summary

An awareness programme was organized on the occasion of World Blood Donor Day to highlight the importance of voluntary blood donation and to encourage more people, especially youth, to become regular donors. The event aimed to educate the students & People about the critical role of blood donation in saving lives and supporting medical emergencies such as surgeries, accidents, and chronic illnesses. The programme began with a pledge from NCC Cadets, PI Staff from 10 TN Battalion & MKJC Faculties to promote voluntary blood donation in their communities and to help build a culture of compassion and health awareness. Following the programme, participants marched along a pre-designated route in the city, holding placards and chanting slogans to raise awareness about blood donation to the peoples.

Outcome of the Programme

1. Motivated several participants to register as first-time blood donors.
2. Fostered a spirit of social responsibility and community service.
3. Increased public awareness about the significance of voluntary blood donation.
