Internal Participants Count	Students : 100	External Participants Count	

Summary

NSS, YRC, RRC & Unnat Bharat Abhiyan jointly organized the campus cleaning programme on 23.08.2024 & 24.08.2024. The programme started at 9.30am.

In the cleanliness Drive, 100 NSS Volunteers participated and cleaned the whole campus by collecting degradable and non-degradable waste separately. These wastes include solid waste, plastic waste, glasses found around the campus. Volunteers arranged the plants in order and placed the stick along with the plants for support. They watered the plants and removed the weeds which grew along with the plants. Students cleaned paper plates, water bottle, paper cups, tissues, and many unwanted things on campus lawns, library, canteen, garden, sitting area, corridors, class rooms, pathway and other open areas which is very unhygienic to all of us. Students were also interested to make the college campus & class rooms a beautiful place for everyone and it makes individuals healthier when the environment around them is healthy.

The programme created an effective impact among the students. The students shown up their involvement in the environment and surroundings cleanliness through which their social responsibility is revealed. The Institution takes this opportunity to thank the Management for conducting this wonderful programme.

Outcome of the Programme

1. Decreased risk of pest and rodent infestations.
2. Reduced litter and waste on campus.
3. Encouraged eco-friendly habits.
