Objectives

- To provide employment opportunities for eligible students.
- To develop students' communication and customer handling skills.
- To familiarize students with corporate interview and selection procedures.
- To create awareness about career opportunities in the NBFC sector.

Summary Report

The Placement and Career Guidance Cell organized an Virtual-Campus Drive with Omega Healthcare, Chennai on 18.02.2026 at Virtual mode(home) for UG and PG of Bio-Technology & Bio- Chemistry Department placement students.

The programme began with a Pre-Placement Talk delivered by the HR representative of the company. During the session, the students were introduced to the company profile, work environment, responsibilities of the Trainee Medical Coder, and the expectations regarding Coding Knowledge, Computer Skills & Analytical Skills.

Following the Pre-Placement Talk, an **assessment test** was conducted to evaluate the candidates Core Knowledge. The assessment served as the initial screening stage of the recruitment process.

After the completion of the assessment, the shortlisted candidates were asked to have virtual face-to-face with HR to check their Skills required for the Role.

The campus drive provided students with valuable exposure to corporate selection procedures and helped them understand the expectations of customer service roles in the financial sector. Students actively participated and gained practical experience in interview preparation and professional communication.

Outcome of the Programme

- Students gained exposure to corporate campus drive procedures.
- Communication and teamwork skills were assessed through group discussion.
- Students developed better understanding of customer support roles.
- The programme enhanced students' confidence and employability readiness.
- The interaction strengthened industry–institution collaboration.
