**Summary**

An Awareness Programme on the Right to Information (RTI) was organized on 14.10.2025 to promote transparency, accountability, and public awareness among students. The primary objective of the event was to educate students about the Right to Information Act, its significance in a democratic society, and how it empowers citizens to seek information and ensure accountability from public authorities.

A total of 50 students enthusiastically participated in the programme. The highlight of the event was a rally and human chain formed by the students within the campus, carrying placards with powerful slogans emphasizing the importance of RTI and citizens' rights. The rally and Human chain commenced at 11:00 a.m. and concluded at 12:00 p.m., spreading the message of transparency and active citizenship.

The programme successfully created awareness about the importance of the Right to Information in fostering a transparent and accountable governance system and encouraged students to contribute towards building a just and informed society.

#### **Outcome of the Programme**

1. Students gained knowledge and understanding of the provisions and purpose of the RTI Act.
2. The rally and human chain effectively spread the message of transparency and citizens' rights within the campus.
