Internal Participants Count	Students : 2 Faculty: 1	External Participants Count	Nil

Summary

Tamil Nadu State NSS Cell Organized the State Level NSS Youth Festival – 2025 from 23rd to 27th October 2025, at VIT, Chennai bringing together NSS volunteers from various colleges across Tamil Nadu. The event aimed to empower student volunteers through experiential learning, leadership training, cultural exchange, and awareness-building sessions.

The five-day festival served as a vibrant platform for participants to showcase their creativity, leadership, and commitment to community service. The schedule encompassed a balanced blend of motivational talks, workshops, competitions, physical activities, cultural events, and educational tours. Dr. P.N. Gunanidhi, **State NSS Officer, Tamil Nadu** and other Eminent resource persons from reputed institutions and organizations addressed the volunteers on themes such as leadership and teamwork, resilience, digital and cyber awareness, fake news verification, social responsibility, and creative communication.

The festival also emphasized skill-based learning through sessions on documentary filmmaking, mime performance, yoga, and cultural arts, encouraging volunteers to express social messages through creative media. In addition, practical demonstrations, pre- and post-

session interactions, and competitions allowed participants to actively apply the knowledge gained. The concluding day featured a Valedictory Function, during which outstanding volunteers and teams were recognized for their achievements in various competitions such as essay writing, singing, dance, poetry, speech, and documentary film. The event successfully strengthened the NSS motto — “Not Me But You” — by promoting cooperation, self-discipline, and community-oriented values among the youth.

Ten volunteers from Thiruvalluvar University (five boys and five girls) enthusiastically participated in this five-day event. Among them, two girl volunteers from Marudhar Kesari Jain College for Women (Autonomous), Vaniyambadi - Ms. Sowmiya (II Year, Computer Science Department) and Ms. Ragavi (II Year, Computer Science Department) — actively participated in all sessions and events throughout the festival. Ms. Sowmiya won the First Prize in Singing and was honoured with a Shield and Certificate for her excellent performance. Both participants received Appreciation Certificates on the Fifth Day (Valedictory Ceremony) for their consistent enthusiasm and contribution during the festival.

A NSS faculty member from Marudhar Kesari Jain College for Women (Autonomous) accompanied the student representing Thiruvalluvar University. The faculty's dedicated guidance and support were duly recognized with a Certificate and Shield presented by the organizers. The college Principal, Director, Deans, Heads of Departments, and Faculty Members congratulated the NSS team for their remarkable participation and achievements, appreciating their representation at the state level.

Outcome of the Programme

1. Volunteers gained practical experience, leadership skills, and cultural exposure through active participation in the five-day event.
2. The festival enhanced social awareness and communication skills, enabling students to become more responsible and informed citizens.
