- To bridge the gap between academic learning and industry requirements.
- To facilitate direct interaction between students and corporate recruiters.

Summary Report

As part of the TCS BPS Hiring Process, students from different departments were facilitated to participate in the recruitment stages conducted by TCS iON. on **06-11-2025**, students from the **Department of Arts** were taken to the TCS iON Center, Vellore, to appear for an online MCQ-based examination. Subsequently, on **15-11-2025**, students from the **Department of Science** also appeared for the same online MCQ-based examination at the TCS iON Center, Vellore.

Based on the performance in the online examination, 86 students were shortlisted for the next stage of the selection process.

These shortlisted students were then taken to **TCS Chennai on 26-11-2025** to attend the **one-on-one face-to-face interview sessions**. The interview round assessed the students' communication skills, subject knowledge, aptitude, and suitability for the role under the TCS BPS Hiring Process.

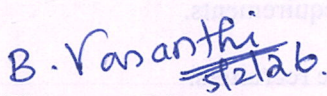

After the completion of the interview round, the final selection list was announced by TCS.

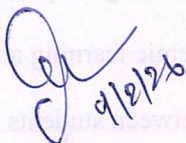

Outcome of the Program

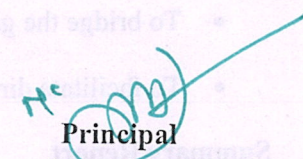

- A total of **86 students were shortlisted from the online MCQ-based examination**.
- All 86 shortlisted students attended the face-to-face interview round conducted at TCS Chennai.
- Out of the 86 interviewed candidates, **61 students were successfully shortlisted for the TCS BPS Hiring Process**.
- The selection reflects the effectiveness of structured training, student preparedness, and institutional support in enhancing employability skills.
- The activity significantly contributed to providing industry exposure, real-time recruitment experience, and placement opportunities for the students.
