Objectives

- To provide eligible students with on-campus employment opportunities
- To familiarize students with corporate recruitment procedures
- To assess students' communication, teamwork, and interview readiness
- To facilitate direct interaction between students and industry recruiters

Summary Report

The Placement and Career Guidance Cell successfully organized an On-Campus Recruitment Drive for Omega Health Care, Chennai on 16 December 2025 at the Sri Roop Rajat Seminar Hall.

The recruitment process was conducted in multiple stages, beginning with Group Discussions, where candidates were assessed on their communication skills, clarity of thought, teamwork, and ability to present ideas effectively. Students actively participated in the discussions and demonstrated confidence, cooperation, and professional interaction.

Based on their performance in the group discussion round, shortlisted candidates advanced to the Technical and HR interview rounds. During these rounds, students were evaluated on their basic technical knowledge, understanding of the job role, communication proficiency, and overall professional attitude. The interaction with the recruiters helped students gain insight into workplace expectations and career growth opportunities associated with the role of AR Associate.

The on-campus drive provided students with valuable exposure to a structured corporate recruitment process and enhanced their understanding of the importance of communication, teamwork, and interview preparedness. Overall, the drive served as an effective platform for students to showcase their skills and take a significant step toward employment.

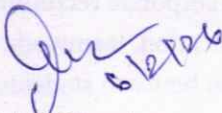

Outcome of the Program

- Students gained practical exposure to a multi-stage recruitment process
- Improved confidence in group discussions and interview performance
- Enhanced awareness of industry expectations and professional standards
- Strengthened placement opportunities for eligible students
