REPORT

On 28th February 2023 National Science Day has been celebrated to commemorate the discovery of the “Raman Effect” by one of the renowned Physicist of India- Sir CV Raman. This year, the theme was “Exploring of Science”. As a part of its enterprise we conducted a wide range of activities like Quiz competition, Paper presentation, Model making, and Poster presentation. More than 50 students participated in all events. Students were shown their creative ideas and knowledge in posters and models. Performances in each event were evaluated by judges. Finally Prizes and certificates were distributed to the winners and all the participants.
