To give an opportunity for parents and teachers to openly discuss any grievances. 3. To establish effective communication channels between educators and parents. 4. To discuss the strategies for improvement, and creating a positive, supportive relationship for the holistic development of the student.		
<b>Internal Participants Count</b>	<b>Students: 1540</b>	<b>External Participants Count</b>	<b>0</b>

**Summary**

Marudhar Kesari Jain College for Women, Vaniyambadi organized a Parent-Teacher Meet on 13th September 2025. The meeting for II UG and III UG students was held in the forenoon session from 9.30 a.m. to 12.30 p.m., while the meeting for I UG and all PG students was conducted in the afternoon session from 1.30 p.m. to 3.30 p.m. The meeting was conducted to share academic progress, growth based on classroom observation and Extra - Curricular activities.

The teachers also encourage the parent to support students learning. The main focus of Parent Teachers meet is to discuss the factors of learning and the student's behavior. The meeting was presided over by Dr. M. Inbavalli, the Principal, along with all the class teachers, who addressed the gathering and shared valuable insights on student performance and institutional initiatives.

Parents were also given the opportunity to share their suggestions, opinions, and constructive feedback, which proved to be highly valuable for enhancing the teaching-learning process and strengthening the institutional framework. The event thus served as an effective platform for mutual communication between parents and teachers, fostering a shared responsibility towards student success and institutional growth.

#### **Outcome of the Programme**

- 1. Enhanced Academic Support** – Parents gain a clear understanding of their ward's academic performance, attendance, and learning challenges. This helps them to provide necessary support at home, while teachers can suggest strategies for improvement.
- 2. Improved Communication and Collaboration** – The meeting strengthens the bond between parents, teachers, and the institution, creating a platform for open discussion on student progress, discipline, and career goals.
- 3. Awareness and Participation** – Parents become more informed about college policies, extracurricular activities, placement opportunities, and future academic plans, encouraging greater involvement in the student's holistic development.
