Summary

The program commenced with a prayer song, followed by a warm welcome address delivered by Ms. Haneeya Sharqeen of II M.Sc. Mathematics. The Principal, Dr. M. Inbavalli, and Ms. C. B. Sumathi, Dean of the School of Physical Sciences, felicitated the gathering.

The schedule proceeded with the formal inauguration of the following departmental clubs:

- Dirac Physics Association
- Shakuntala Devi Mathematics and Statistics Association
- Mendeleev Chemistry Association

After the club inauguration, the following activities are planned for the academic year 2025-2026 under the clubs

- Inter/Intra Departmental Competitions
- Conference

- Student and faculty exchange program
- Workshop
- Industrial visit
- Further Ms. H. Kaniga of III B.Sc. Physics introduced the Chief Guest, Dr. R. Sathya, Head & Assistant Professor, Department of Mathematics, Sona College of Arts and Science, Salem. She addressed the audience with an insightful talk on opportunities in higher studies and strategic placement pathways. She explained the Chartered Accountant (CA) profession and its significance. After clearing the CA exam, students will have access to better career opportunities. Compared to commerce students, mathematics students are likely to have an edge in securing jobs in the banking sector.
- she emphasized in detail about the each discipline,
- **Mathematics** students were introduced to opportunities in data science, statistics, actuarial sciences, and mathematical research.
- **Physics** students learned about research careers in quantum and nuclear physics and roles in institutions like ISRO and DRDO.
- **Chemistry** students explored paths in pharmaceuticals, environmental science, and roles in quality control and teaching.

The program concluded with a vote of thanks by Ms. K. S. Akshaya Yadav of II B.Sc. Chemistry, followed by the National Anthem.

Outcome of the Programme

1. Enhanced student exposure to career development strategies and higher education prospects through the guest lecture titled "Captivational Creator: Maximizing Opportunities in Higher Studies and Strategic Placement."
2. The session broadened their understanding of the academic and career options available after their undergraduate studies. Overall, the session inspired students to plan ahead, pursue interdisciplinary skills, and make informed choices about their future.
