REPORT

MARUDHAR KESARI JAIN COLLEGE FOR WOMEN (AUTONOMOUS), VANIAMBADI

Activity Report

Title	Intra Department Poster Presentation and Quiz competition.		
Organized By	PG and Research Department of Biochemistry		
Type of Activity	Intra Department Competition		
Level	Institutional		
Date	06/08/2024	Time	11.00am -12.30pm
Venue	Sri Arihanth Block Seminar Hall	Mode	Offline
JUDGES OF THE EVENTS	Dr. R.Jesu Jaya Sudan, M.Sc., Ph.D., Associate Dean Research, Research Department of MKJC, Vaniyambadi Dr.J.Lesitha Jeeva kumari, M.Sc., PGDBI., Ph.D., Research Associate & Assistant Professor Department of Biotechnology, MKJC, Vaniyambadi		
Objective of the Programme	To develop students analytical, creative, problem solving, communication and confidence building skills. To convey certain information and making it noticeable for the target students. To arouse curiosity. To develop a healthy competition among students.		
Internal Participants Count	Students :38	External Participants Count	Students: Nil

Summary

In the event of Watson and Crick Biochemistry - Association Guest lecture program and Intradepartmental competition - poster presentation and quiz competitions were conducted for both UG and PG Students of Biochemistry.

Eighteen (18) students participated in poster presentation; twenty (20) students Participated in quiz competition.

The topics for poster presentation were Cell death pathway and Recent trends in Biochemistry. One Student from PG won first prize, one student from PG and One student from UG won second prize, and Two Students from UG won Third prize.

Later, Quiz competition was conducted on the topic of General life science. There were four teams with five participants in each team. The competition was held in three rounds and one elimination round. Based on the score, an award was granted. The team with highest score was awarded with first prize followed by second and third prize.

Students Participated with full Enthusiasm and confidence.

Outcome of the Programme

The students came to know about

1. Students learnt a honing communication skill and the ability to succinctly present complex information through poster presentation.
2. Every participant received feedback and suggestions which can be valuable for refining their work.
3. Through quiz competition, students learn to develop their quick thinking, Problem solving and recall abilities. They foster a sense of competition and can get motivated to learn and study more thoroughly
