GUIDELINES AND REGULATIONS FOR REQUESTING HERBAL PLANT SAMPLES FROM MKJC HERBAL GARDEN

- The herbal garden is a resource for educational, research, and medicinal purposes. Requests for samples must align with academic projects, research work, or curriculum-related activities.
- Requests for personal use are strictly prohibited
- Only currently enrolled students and staff members of MKJC are eligible to request herbal plant samples.
- External requests will require prior approval from the Principal.

Application Procedure

Submission of Application

- Complete the “Herbal Plant Sample Request Form” available from the Department Office or Administration. Include the following details,
- Applicant’s Name, ID, and Contact Information
- Department and Course/Designation
- Name of the plant(s) requested
- Quantity required
- Purpose of usage (e.g., Research, Project, Practical Class)
- Supervisor or Guide Approval
- Submit the form to the Office of the Herbal Garden Coordinator.

Approval Process

- Applications will be reviewed by the Herbal Garden Committee.
- Approval will depend on the availability of the requested plant and the relevance of its usage to the applicant’s stated purpose.
- Approved applicants will receive confirmation within 3 working days.

MARUDHAR KESARI JAIN COLLEGE FOR WOMEN (AUTONOMOUS)

Marudhar Nagar, Chinnakallupalli, Vaniyambadi – 635 751

(A Project of Sri Marudhar Kesari Jain Trust)

Recognized u/s 2(f) & 12(B) by UGC Act, 1956

Permanently Affiliated to Thiruvalluvar University - Accredited with “A+” Grade by NAAC
(4th Cycle) - An ISO 21001:2018 Certified Institution- Supported by DST-FIST

REGULATIONS

- Samples can only be collected on the specified date and time mentioned in the approval notification.
- Applicants must sign a record book at the herbal garden upon collection.
- Applicants are prohibited from plucking plants or causing any damage to the herbal garden without supervision.
- Samples will be harvested by the garden staff or under the supervision of the garden in-charge.
- A report or documentation on how the sample was utilized must be submitted to the Herbal Garden Committee after the completion of the project work.
- The use of herbal samples for commercial purposes is strictly forbidden.
- Non-compliance with the guidelines will result in disciplinary action, including denial of future requests.
- If the applicant requires the whole plant, a payment must be made as per the plant's value.
