COLLEGE PROFILE

In 1989, Guruji Shri Roop Muniji Maharaj and Guruji Shri Sukan Muniji Maharaj visited Vaniyambadi during the course of a Padayatra that they had undertaken. During their discourse they not only spoke of spiritual matters but also of social concerns including women's emancipation through higher learning. Giving shape to the cause, Shri Kanyalaji Talesra and eight others who are ardent devotees of Shri Marudhar Kesari joined hands to found the Sri Marudhar Kesari Jain Trust. The Trust which was founded in October 1993 was registered a month later.

MARUDHAR KESARI JAIN COLLEGE FOR WOMEN, VANIYAMBADI

‘Women are the incarnation of Mother Parasakthi; and any society which neglects or disregards the right role of women in it will suffer the wrath of the divine force’, say our Vedas and other ancient scriptures.

A society will be on the right path to progress only if it fosters a nurturing care to liberate its women from the traditional slavery and ignorance. This nurturing care can come not through mere education producing graduates, but through ‘educare’- education with carefully added value inputs that truly emancipate and empower womanhood.

Help those who are indistress

Spiritual development is a process of spiritual unfoldment. Every activity, one's whole life, can be looked upon as a process of manifestation of divinity of the soul. Physical development and mental development is not an end in them, but are only means for spiritual unfoldment, for the manifestation of divinity of the soul. This understanding spiritualizes, divinizes, not only one's whole life but also one's relationships with others. Holistic view of human development is an essential part of Integral Education. Education is intrinsically a phenomenon of enkindling the potential spark of perfection enshrined in every human being.
