In youth we learn, in age we understand.

In 1989, Guruji Shri Roop Muniji Maharaj and Guruji Shri Sugan Muniji Maharaj visited Vaniyambadi during the course of a Padayatra that they had undertaken. During their discourse they not only spoke of spiritual matters but also of social concerns including women9s emancipation through higher learning. Giving shape to the cause, Shri Kanyalalji Talesra and eight others who are ardent devotees of Shri Marudhar Kesari joined hands to found the Sri Marudhar Kesari Jain Trust. The Trust which was founded in October 1993 was registered a month later.

MARUDHAR KESARI JAIN COLLEGE FOR WOMEN, VANIYAMBADI

8Women are the incarnation of Mother Parasakthi; and any society which neglects or disregards the right role of women in it will suffer the wrath of the divine force9, say our Vedas and other ancient scriptures.

A society will be on the right path to progress only if it fosters a nurturing care to liberate its women from the traditional slavery and ignorance. This nurturing care can come not through mere education producing graduates, but through 8educare9-education with carefully added value inputs that truly emancipate and empower womanhood.

Help those who are in distress

Sri Marudhar Kesari Jain Trust started the college in 1994. The Bhoomi pooja was performed in 1994 in the presence of his holiness Sri.Mayilai Swamigal, Sri.Champalalji Singhvi and Sri.Kanyalalji Talesra. Set in a sprawling 25 Acres campus of sylvan surroundings in a valley facing the Yelagiri Hills, this college provides a congenial atmosphere for the girls who enroll here. The birth of this college has without doubt, altered the social landscape of this region evoking a great deal of public interest and enthusiasm, from all the sections of the society irrespective of religion, caste, creed or colour.

TAMILNADU PROHIBITION OF RAGGING ACT - 1997

The Following Act of the Tamil Nadu Legislative Assembly Received the Assent of The Governor on the 14th February 1997 and is hereby published for General Information.

Excepts form Act No.7 of 1997

An Act to prohibit ragging in educational institutions in the State of Tamil Nadu. Be it enacted by the Legislative Assembly of State of Tamil Nadu in the Forty Eighth year of Republic India follows:

Preamble

The Act received the Governor's assent on February 14, 1997, and is published for general information.

Act No. 7 of 1997: This is the official designation of the Act.

1) Short Title, Extent, and Commencement:

- The Act is called the Tamil Nadu Prohibition of Ragging Act, 1997.
- The Act applies to the entire state of Tamil Nadu.
- The Act is deemed to have come into force on December 19, 1996.

2) Definition:

Ragging is a form of harassment or intimidation, typically inflicted on junior students by their seniors, in educational institutions. It can take many forms, including:

a) Verbal abuse or taunting, Physical assault or violence, Forced activities or tasks, Humiliation or degradation, Sexual harassment or abuse.

b) Emotional trauma and stress, Physical harm or injury, Loss of self-esteem and confidence, Dropout from institution, even suicide in extreme cases

3) Prohibition of Ragging

Ragging with or without any educational institutions is strictly prohibited.

4) Penalty for Ragging

As per the Tamil Nadu Prohibition of Ragging Act, 1997, the penalty for ragging includes:

1. Imprisonment: Up to 2 years
2. Fine: Up to ₹10,000
3. Suspension or Expulsion: From the institution
4. Cancellation of Degree: If the student is found guilty of ragging
5. Withholding of Degree: If the student is found guilty of ragging
6. Debarring from Admission: To any other institution for a specified period
7. Forfeiture of Scholarship or Stipend: If the student is found guilty of ragging
8. Withholding of Results: If the student is found guilty of ragging

5) Dismissal of Students

Permanent Expulsion, Cancellation of Degree or Diploma, and Debarring from Admission are severe consequences that can be imposed on students found guilty of ragging. Permanent Expulsion means that the student is expelled from the institution permanently, forfeiting their right to continue their education there. Cancellation of Degree means that the student's earned degree is cancelled, rendering it invalid. Debarring from Admission means that the student is barred from seeking admission to any other institution, effectively ending their academic pursuits. These consequences aim to deter students from engaging in ragging and ensure a safe and conducive learning environment for all.

6) Suspension of Students

A student found guilty of ragging may face temporary disciplinary actions, including Temporary Suspension, Rustication, and Withholding of Results. Temporary Suspension involves suspending the student for a specified period, allowing them to resume their studies

after the period ends. Rustication is a similar measure, where the student is suspended and allowed to rejoin the institution after a specified period. Withholding of Results is another consequence, where the student's results are withheld until the suspension period ends, ensuring that they cannot progress in their studies until the matter is resolved. These measures aim to penalize the student while also providing an opportunity for them to reflect on their actions and reform.

7) Deemed Abetment

If the Head of the educational institution or the person responsible for management fails or neglects to take action in the manner specified in sub-section (1) of section 6 when a complaint of ragging is made, they shall be deemed to have abetted the offence of ragging. Consequently, such person shall be punished as provided for in section 4, which includes imprisonment for up to two years, a fine of up to ₹10,000, and other penalties. This provision emphasizes the responsibility of institutional authorities to take prompt and effective action against ragging, and holds them accountable for any lapses in this regard.

As per G.O., any student found guilty of ragging and or abetting ragging shall be expelled from the institution.

Physical development and mental development is not an end in them, but are only means for spiritual unfoldment, for the manifestation of divinity of the soul. This understanding spiritualizes, divinizes, not only one's whole life but also one's relationships with others. Holistic view of human development is an essential part of Integral Education.
