Activity Report

Topic/ Subject of the Activity :

5- Day Career Readiness & Employability Development Program

Objectives (Input) :

- To enhance students employability skills and career readiness.
- To improve communication, aptitude, and professional competencies.
- To prepare students for placement drives and recruitment processes.
- To develop confidence, teamwork, leadership, and problem-solving abilities.
- To bridge the gap between academic learning and industry expectations.

Methodology (Process) :

The five-day training program was conducted through interactive and learner-centric methods. The inaugural session began with a prayer, welcome address, felicitation of dignitaries, and introduction of the trainers Ms. Dhivijaa Winslet Ria I and Ms. Aarthi A.

The training methodology included:

- Interactive lectures and expert sessions.
- Career readiness and employability skill development activities.
- Resume building and logical reasoning exercises.
- Group discussions and team-building activities.
- Communication skill enhancement and interview preparation.
- Practical exercises, case studies, and real-life industry examples.
- Continuous interaction, feedback, and question-and-answer sessions.

The 5-Day Career Readiness & Employability Development Program aligns with SDG 4 (Quality Education) by enhancing students' employability skills, communication, aptitude, and lifelong learning competencies through structured training and experiential learning. It also supports SDG 8 (Decent Work and Economic Growth) by preparing students for placement opportunities, strengthening career readiness, promoting workplace professionalism, and bridging the gap between academic learning and industry expectations.

Output :

The program successfully engaged students throughout the five-day schedule.

The immediate outputs included:

- 60 III UG students participated in the 5-Day Career Readiness & Employability Development Program
- Active participation of students in all training sessions.
- Improved understanding of career planning and recruitment processes.
- Enhanced aptitude, communication, and interpersonal skills.
- Increased awareness of employer expectations and workplace professionalism.
- Better preparedness for placement opportunities and competitive examinations.

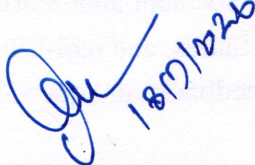

Outcomes

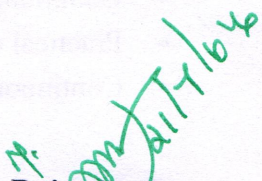

The program created a positive impact on the participants by strengthening their employability and career preparedness.

The major outcomes were:

- Increased confidence in attending interviews and placement drives.
- Improved communication, analytical thinking, and problem-solving skills.
- Enhanced professional attitude and workplace etiquette.
- Greater awareness of career opportunities and industry requirements.
- Strengthened collaboration between the institution and the Confederation of Indian Industry (CII), Model Career Centre, Chennai, promoting future industry-academia initiatives.
- Students became better equipped to pursue successful careers with improved employability and lifelong learning skills.
