Summary

NSS, UBA, YRC, RRC of MKJC in Association with Indian Red Cross Society, Tirupattur jointly organized a cancer awareness program on 14.02.2025. The program commenced at 12:00 PM with a beautiful rendition of the prayer song to invoke blessings from God. Our Principal, Dr. M. Inbavalli, along with the NSS, YRC, RRC, and ROTARACT Coordinators and committee members, presided over the session. The felicitation address was delivered by Dr. M. Inbavalli, Principal of MKJC, followed by the honoring of the Chief Guest. The Honorable Chief Guest, Mr. M.S. Kishor Prasad, District Chairman, raised awareness about cancer among the students. He emphasized the importance of cancer literacy and knowledge, particularly highlighting the significance of early detection in the successful treatment of cancer. He also mentioned that cancer awareness can encourage people to adopt healthier lifestyle choices.

Our Principal further explained that cancer can be prevented through a proper diet and regular exercise. She urged the students to avoid fast food, highly processed foods, foods with excessive coloring, and those that are preserved for long periods or are high in fat. Mrs. D. Amala Mary emphasized the role of all sections of society—including the government, hospitals, and voluntary organizations—in promoting cancer awareness as a movement.

More than 200 students participated in the event. Our NSS students performed a skit

to raise awareness about cancer. The event was organized excellently by the program coordinators, Ms. Aruna, Assistant Professor, and Mrs. Praveena, Assistant Professor. The program concluded with a vote of thanks delivered by Ms. K. Lavanya, IIB.Com CA, NSS Secretary. The event ended with the National Anthem.

Outcome of the Programme

1. Students will have a better understanding of cancer and its treatment options, reducing their fear and anxiety.
2. Students will develop essential life skills. Such as critical thinking, problem- solving, and communication, through their participation in cancer awareness activities.
