ILLAM THEDI KALVI

"Education is the most powerful weapon which you can use to change the world." —Nelson Mandela

Education is the mirror of society and is the seed as well as flower of socioeconomic development. It transforms human beings from ignorance to enlightenment, from shades of social backwardness to light of social amelioration and a nation from underdevelopment to faster social and economic development. The Tamil Nadu government has come up with the Illam Thedi Kalvi scheme which is also a great contribution for girl's empowerment in the field. Pride to register that 8 Faculty and 176 Students of our Institution are the volunteers to work to offer doorstep assistance to the educational department in Thirupattur Districts.

Rotary Club Mid Town Vaniyambadi, MKJC and Govt. of Tamilnadu Department of School Education organized an Appreciation Award Function for honoring Illam Thedi Kalvi Volunteers in Tirupattur District on 09.06.2022.
